Registration fees are due when you register for classes and are non-refundable.
This is the amount you pay to register your child. Do not pay the monthly class fee at this time.

Class Requirements

Pre-Pointe & Pointe	Students in the 6 th grade with the desire to begin Pointe the following year must commit to Pre-Pointe. There is not a registration fee for this class as it will not be performing in the recital. Completion of this class is required prior to qualifying for Pointe class the following year.	Required to attend at least 30 out of approx. 35 classes throughout the year. Pointe work is very difficult and requires intense dedication in order to improve and perfect skills, as well as to reduce the chance of injury.
Jazz	Students in 1st grade and up who are registered for a ballet class. (Except for male students)	Starting in the 7th grade Lyrical may be substituted for Ballet.
Advanced Level Classes	Students going into the 9th grade need to participate in summer classes and/or the N-House Productions camp in order to move up into the Advanced Level Classes.	If you were in last years Advanced Level Classes you are invited to remain in those classes.
Earning a Senior Solo	All Senior Students who have taken at least 3 classes per week for 5 consecutive years (8th-12th grades) will earn a Senior Solo. All other senior students who have participated at BritZa for 5 or more years will be honored at the end of the performance.	We have compassion for students who are trying to make decisions on where to delegate their time. If you drop for 1 Semester during your 8th-11th grade years you may earn your solo back by: Participating in 5 weeks of Summer Ballet Classes (10 classes total) and/or participating in the entire N-House Dance Camp. No Exceptions
